About us

At Everybody London, we believe that real beauty begins when you are truly yourself. We don't try to change you or create a "perfect version" of you.

Our mission is to meet different needs, suit various types of beauty, and fit diverse lifestyles. Everybody London products are more than just makeup tools, they're a way to have fun and express yourself on your own terms.

We celebrate diversity, support authenticity, and build a space for every person, every style, and every story.

Collections

At Everybody London, we create collections that reflect individuality, emotion, and modern beauty culture. From blush-forward edits to structured everyday essentials, each launch is designed to resonate with different aesthetics, routines, and personalities.

We believe beauty is fluid, expressive, and personal - which is why our portfolio evolves with trends while remaining accessible and wearable. By balancing core staples with mood-driven drops, we build a brand that speaks to everyone, across styles, occasions, and self-expression.

VELVET MATTE LIPSTICK

Velvet Matte Lipstick is a comfort-driven matte designed to deliver a soft-focus, blurred lip effect with a satin-touch finish. The lightweight, breathable formula is enriched with squalane to support hydration and barrier function while providing smooth, even, buildable color without emphasizing texture.

COOLING PEPTIDE LIP TINT

Cooling Peptides Lip Tint is a lip product that combines makeup and skincare, delivering subtle color and deep hydration. The peptide-infused formula smooths and helps support lip regeneration while reducing the appearance of fine lines for a fuller look. Its lightweight, non-sticky texture gives a glossy finish, and the buildable pigment lets you control color intensity. A cooling sensation refreshes the lips for extra comfort, while the metal applicator enhances the fresh, soothing application experience.

PEPTIDE LIP BALM

Peptide Lip Balm is a skincare-forward lip color designed to deliver long-lasting, natural-looking pigment with a hydrated sheen. Created for effortless, modern wear, it provides a sheer yet buildable wash of color that blends seamlessly into the lips.

The lightweight, fluid texture melts on contact, ensuring even payoff without heaviness or stickiness. Lips appear smoother, subtly fuller, and naturally refreshed, making it suitable for both everyday routines and elevated looks. The finish remains breathable and comfortable throughout the day.

Collaborations

Collaboration is a natural extension of Everybody London. We work closely with inspiring creators, makeup artists, and aligned brands to develop products and stories that feel thoughtful, elevated, and culturally in tune. Each partnership is rooted in shared values - individuality, self-expression, and modern beauty - resulting in curated launches that resonate with our community. From influencer-led edits to artist-developed shades and formulas, every collaboration is intentionally crafted and creatively driven. Through these partnerships, Everybody London continues to expand its universe while staying true to its core identity.

EVERYBODY LONDON x FLUFF

Berries in the Air is a fresh collaboration between Everybody London and Fluff - a celebration of juicy tones, soft radiance, and beauty that feels light and effortless. Inspired by ripe berries and naturally dewy skin, the collection brings together lip favorites, skin-prep essentials, and a luminous eye palette designed to work seamlessly together.

Fresh, expressive, and rooted in care, it reflects a modern approach to everyday beauty - intuitive, elevated, and made to enhance your natural glow.

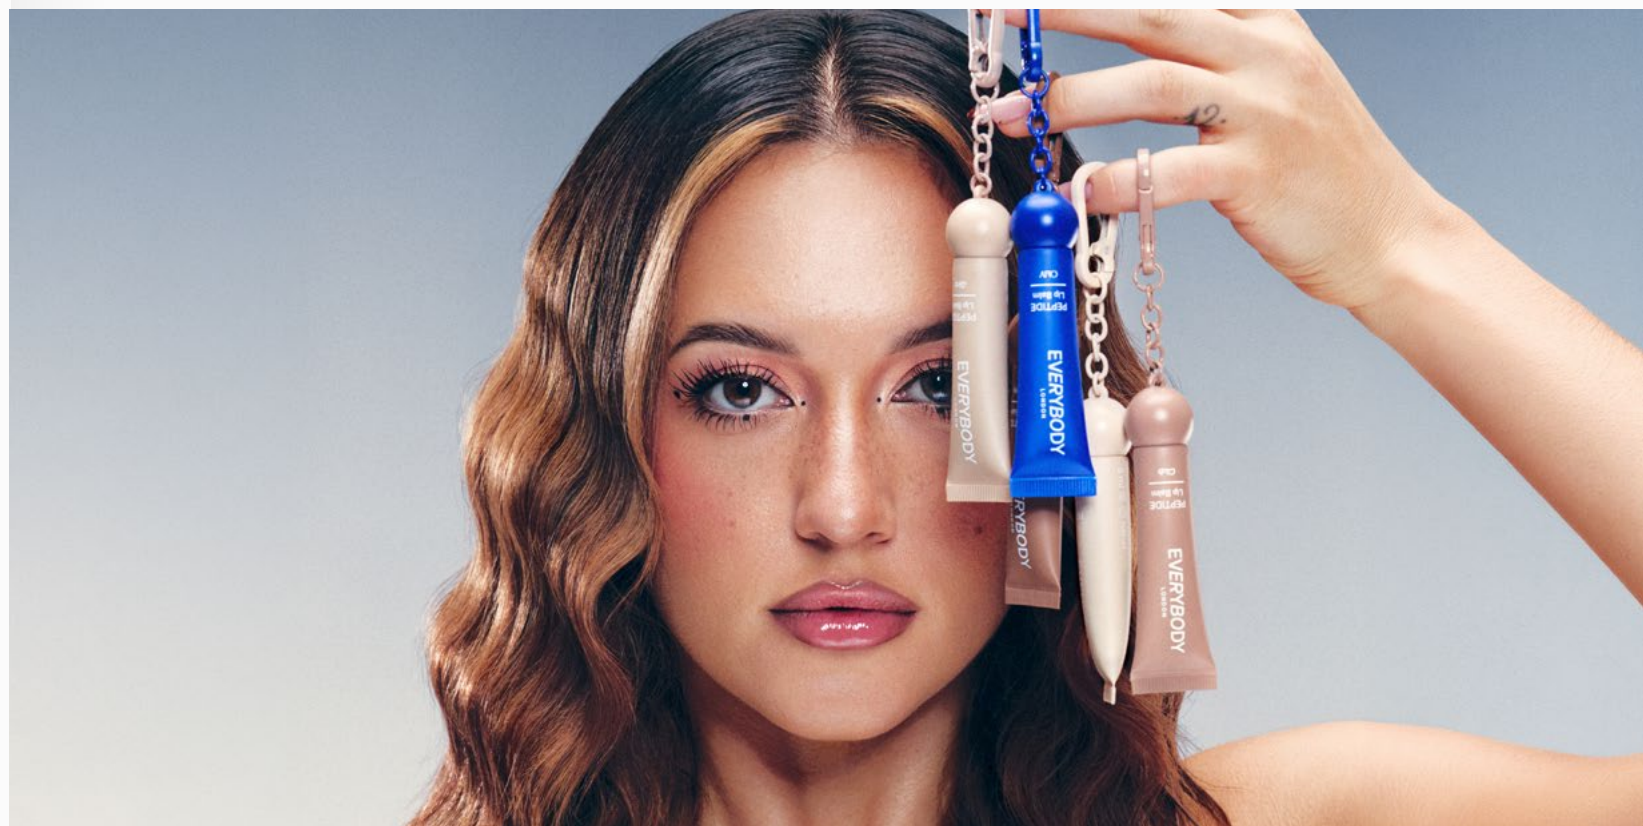

BLINDBOX

Everybody London x Oliv

Blind Box collection was a limited-edition drop by Everybody London in collaboration with makeup artist Olivia Nowicka - designed to surprise, connect, and spark curiosity. Each gloss came in identical packaging, making every unboxing part of the experience. Shades like Cool, Girls, Club, and Only played with effortless nude tones, while one rare ultramarine gloss - Oliv - was the secret everyone hoped to find.

Built around playfulness, community, and self-expression, Blind Box turned a single gloss into a shared moment - an invitation to join the #coolgirlclub and feel part of the Everybody community.

BLINDBOX - VALENTINE'S EDITION

Everybody London x Oliv

The Valentine's edition of Blind Box reimagined the concept through a softer, love-infused lens. Released just in time for the season, the drop featured shades like All, We, Need, and Is in neutral pink tones, while Love - a classic red gloss with subtle shimmer - became the new secret to uncover.

Created as the perfect Valentine's gift, the collection carried a sense of warmth, connection, and shared excitement. Once again, the community came together through unboxings and shared moments, celebrating love - in all its forms - as part of the Blind Box experience.

BLINDBOX - SUMMER EDITION

Everybody London x Oliv

Lip Blind Box – Summer Edition is a limited drop created for the most playful and carefree season of the year. It captures the energy of summer, sun-soaked days, and spontaneous moments of fun. Each box hides a lip gloss shade inspired by seasonal trends – from juicy, sun-kissed tones to soft, effortless finishes perfect for beach days, festivals, and long summer nights. Identical packaging builds anticipation and turns every unboxing into a moment of surprise.

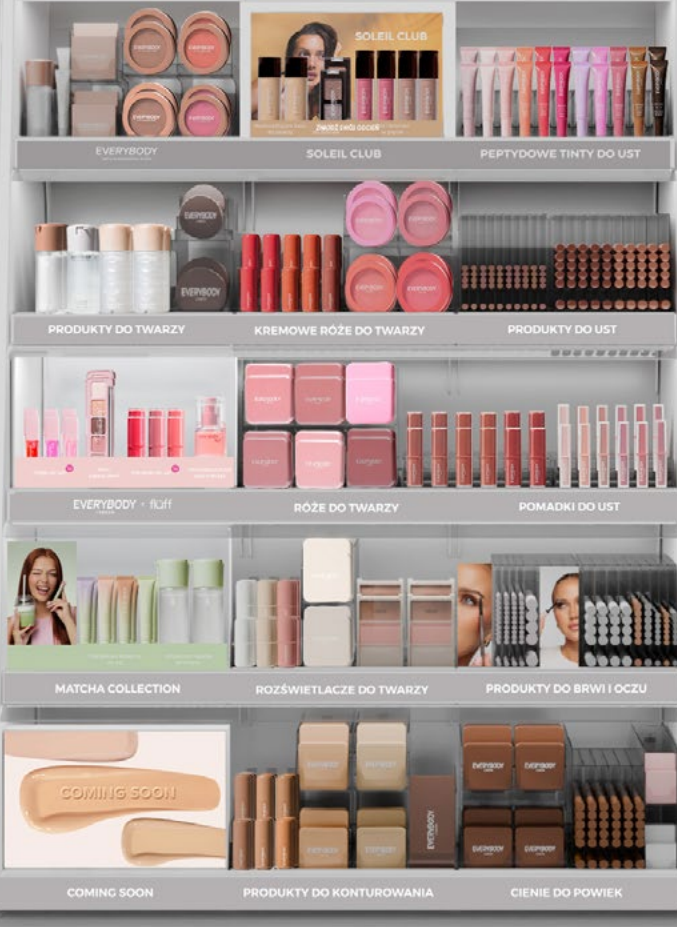

At its core, the collection blends discovery, style, and the joy of finding a new summer favorite – all wrapped in one glossy, unexpected experience.
